Dear Friends,

On behalf of the students, staff and Board of Directors of the Children's Home of Stockton, thank you for your generous donation of forty Christmas Gifts for the Children.

Your thoughtfulness will help to make the Holiday's special for our students and meet many wishes. Also, knowing they are thought of by others at this time of the year is an encouragement for our young people to strive even more toward their treatment goals.

We are grateful for your kind expression of support of the Children's Home of Stockton youth. We hope you enjoy a warm holiday season and best wishes to you for a memorable year 2011!

Sincerely,

Elizabeth A. Bridges  
Acting Executive Director
