[RI Director Nominated](#)

PDG Gordon Kennedy just returned from service on the nominating committee for RI Director. He informed us that PDG Paul Netzel, member of Los Angeles (#5) who served as Governor of District 5280 in 1997-98 was nominated to serve 2007-2009 as RI director. Paul has been a Rotarian for 37 years and is a Financial Consultant, owning his own firm, Netzel Associates, Inc. Paul and his wife Diane, also a Rotarian, have been very active in District, Zone and International committees and training. Paul was an executive with YMCA for 22 years before starting his own firm.

[Hurricane Relief](#)

President Lori Adams of Ripon Rotary advised me that their club took up a collection for the victims of the hurricanes. They collected \$3,003 and are sending it to the Rotary Club of Lucedale, Mississippi. One of our smaller clubs demonstrating Service Above Self. Your Governor is proud of you.

[Zone Institute](#)

A delegation of D5220 leaders attended the Zone Institute this past weekend in Sacramento. It is designed to keep past officers of Rotary International informed about what is going on. The highlight was Saturday night dinner with President Carl-Wilhelm Stenhammar as featured speaker. In conjunction with the Institute, DGE Bob Hobbs had a training session called GETS (Governor Elects Training
